The City of Salisbury in partnership with Nature Play SA brings you

## Salisbury Plays at St Kilda on Sunday 13 October from 11am-3pm.

Salisbury Plays at St Kilda is a family fun event being held during the Nature Play Festival 2019.

The Nature Play Festival is an annual festival for children and their families which celebrates and encourages play outdoors in nature! The festival aims to highlight the importance of nature play for today's generation of children and provides opportunities for families to access nature play events and activities across South Australia.
