

1. Open the “Welcome to SEQTA Engage!” email and click on “Set up your account now” link.

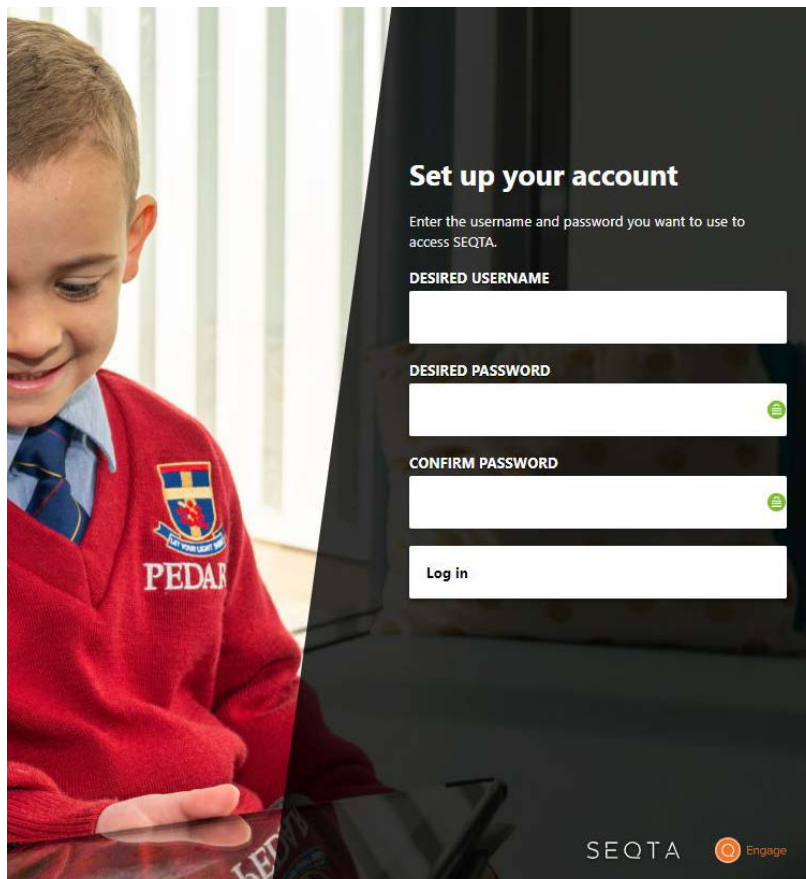

### Welcome to SEQTA Engage.

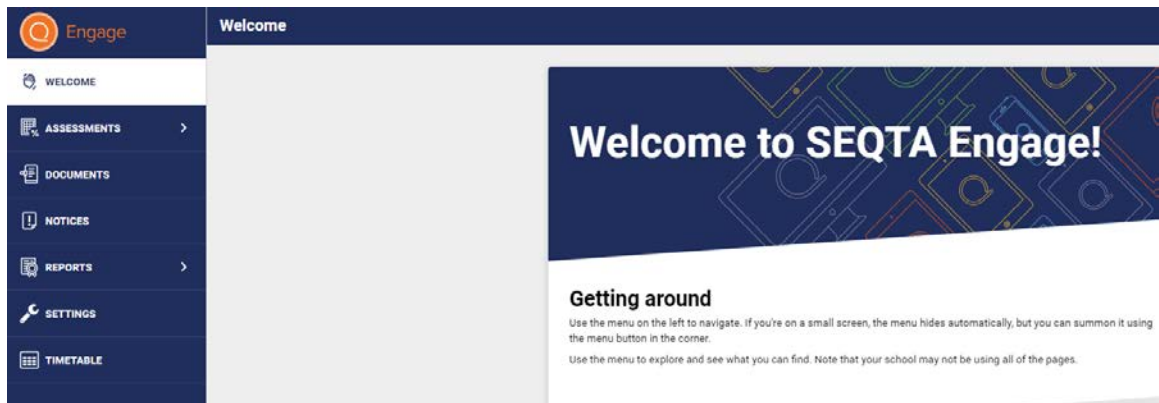

, Pedare Christian College has created a SEQTA Engage account for you.

[Set up your account now.](#)

2. Once the SEQTA Engage web site loads you will be asked for your ‘Desired Username’ which we recommend using your email address. Enter your preferred password and confirm. Click ‘Log In’.

3. You will see the main home page load.

## SEQTA Mobile App

The **SEQTA App** for your mobile device provides the flexibility to access content while on the go and receive notifications quickly. You can install this from either the Apple Store or Google Play Store depending on your device type. Once the app is installed and you open it for the first time, click on the button “I have a code”. You can then use the camera on your device to scan the picture code from the “Welcome to SEQTA Engage!” email sent to you and connect to your Pedare Parent account.

Download the app to get push notifications and fingerprint authentication:

---

## Already got the app?

If you've got the app installed, scan this code (or tap the image on your device) to login straight away.
